METALIC CONT. IND. LLC

1.COMPANY PROFILE

OVERVIEW

- RAB UAE is a design/build manufacturer of standard and custom tensioned membrane shade structures & Structural & Non-Structural Metal Works for residential and Commercial applications.
- We specialize in both HDPE shade mesh and PVC architectural membrane. From conceptual design through engineering, fabrication and installation,
- RAB UAE has established a reputation in the fabric architecture industry for quality, service and reliability.
- RAB UAE was established in 1998 under WaterSeal group of companies
- Our professionals meet the growing demand for a responsive, customer friendly shade structure, which offered products that are technically functional, architecturally distinctive and easy to install.
- Since then, we have enjoyed a growing number of loyal customers that recognize the many benefits that come with our products.
